

# EDITORIAL

This has to be a short editorial. This team of editors published *A Passage to Himalaya, Himalayan Club Newsletter, Millennium Celebration Souvenir (for Mumbai programme)* and this is the fourth major publication of the Club this year. A hectic welcome to the new century.

In the present volume we have 42 Articles and Notes, 30 Book Reviews, and 5 In Memoriams. With 70 photos, 8 Panoramas, 4 fold-out sketch maps and 20 other maps it is a complete coverage of events, with a separate Index.

Wish you happy reading, with a thought for the tired team of editors!
